Yes, but they want us to work through REI. They consider Dave their representative. I will call in any case and it will give me the opportunity to ask if they want us to work through Dave going forward.

I will forward the message from Kristen to Dave and Chris Saari.

Good Morning Sherry,

I received your voicemail from Friday at 3:36 and understand that Kozak's have agreed to property access for collection of water level data by USGS. I also understand, more detailed scheduling information is needed.

USGS is expected onsite on Wednesday, March 1<sup>st</sup> around 10am. I will keep you apprised if anything changes between now and Wednesday's scheduled event.
